

THE GOUVERNEUR CHAMBER CORNER

As Seen In The

Gouverneur Tribune Press

February 7, 2018

Valentine's Day is next week and your local Chamber of Commerce businesses want to remind everyone that downtown Gouverneur has the perfect gift for that someone special! Ladies, head to the local auto parts or hardware stores. They will have the perfect gift suggestions for your Valentine and he is sure to love! Gentlemen, head to the stores filled with flowers, chocolates, perfume and cards!

A few more great gift options is a dinner out at one of Gouverneur's fine restaurants, a romantic night at one of our fine motels, a beautiful piece of jewelry, a pizza & wings and a nice bottle of wine! Gift certificates are also a wonderful gift when you're not quite sure what to buy.

One thing is for sure, downtown Gouverneur has all this and so much more to make your Valentine's day special!

Our Chamber Business Shout Out this week goes to Richardson's Flooring located at 445 East Main Street, 315-287-7800. New carpet can make a great Valentine's Day surprise! As always shop local!
