

THE GOUVERNEUR CHAMBER CORNER

As Seen In The

Gouverneur Tribune Press

January 24, 2019

The Chamber of Commerce wants to remind our business owners, during this cold weather, do a quick check of your building!

We certainly are having an old fashioned winter! Extreme cold temperatures and many inches of snow; remember to take the time to say thank you to those who keep our roads plowed and sanded so we can get to our business and unlock the door for our customers.

The Chamber also wants to say thank you to the ones who keep our streets and roads cleared for our community!

Keeping your sidewalks clear of snow and ice keeps your customers safe as well. Remember to keep watch of other maintenance issues such as keeping your pipes from freezing and build up of snow on the roof. These practical checks in caring for your business can be costly repairs if not maintained during the winter months!

Give one of these Chamber Businesses a call to help with your maintenance questions, White's Lumber at 315-287-1892, Aubuchon Hardware at 315-287-3850 or Gouverneur Plumbing Supply at 315-287-3512.

As always shop local!
